

SPIN A TALE

Constella OperaBallet will take you on a virtual journey of enchanting performances, spinning tales through music, dance, song, theatre and design to explore and celebrate Darley Abbey's place in history and the wider Derwent Valley Mills World Heritage Site.

In partnership with Darley Abbey Day 2021, internationally renowned artists Constella OperaBallet have created an exciting series of short films featuring singers, dancers and choirs from Derbyshire.

Join our live online event to watch the film premieres and meet the artists behind the project. You'll be able to ask questions and find out more about the trail of 'bobbin' installations and colourful bunting that have popped up throughout the village for 2 weeks only!
